

OUR UNION OUR VOICE

Take the survey. Build our future.

What Matters Most To You?

Our UNAC/UHCP leadership is committed to growing a stronger union. It takes every single member to make that happen: Help us understand your needs, your challenges, and your views.

We've launched a comprehensive membership survey to give you a new opportunity to tell us what you think and tell us who you are.

With your input, our union can answer these important strategic questions:

- What shared values do we hold?
- Where do we stand?
- Where are we heading?
