

We Have the Power

SFRNA OVERWHELMING SAYS

YES

TO STRIKE AUTHORIZATION

Your **YES** vote grants our SFRNA bargaining team the authority to call a strike if justified by Prime's continued delays and disrespect of our hard-fought contract.

More than **57%** of the membership came out to vote—our largest turnout! The final tally showed that **98.9%** will back our bargaining team in whatever it takes to show Prime that the health of the St. Francis community comes first.

Keep standing with SFRNA! Our next steps include fighting Prime's rejection or appeal of the AG's conditions of sale.

All SFRNA members need to take the following actions immediately:

- Get our online applications for SFMC positions in by **July 27** on primehealthcare.com
- Submit our education hours well **BEFORE** close of sale
