CRMC Registered Nurses
c/o UNAC/UHCP
955 Overland Court, Ste. 150
San Dimas, CA 91773

Dear Corona Regional Medical Center Nurses:

As firefighters serving the City of Corona, we stand with you in your efforts to form a collective voice at Corona Regional Medical Center. We urge you and the hospital to work towards a fair and transparent election on January 3 and 4, 2012.

Corona Regional Medical Center is a cornerstone of the community we serve. Corona's residents rely on the exceptional care provided by you and the other health care employees at the hospital. This is why January's election to form a union is critical to the future of Corona Regional Medical Center and its patients. Through a collective voice, Registered Nurses will have the ability to influence the type of care and health policies administered at CRMC, resulting in a better and safer experience for the patient.

As firefighters serving the City of Corona, we will continue to support your efforts to improve the health and stability of the hospital. We commend your loyalty to your workplace as you continue to advocate for your patients and place their safety first.

In Solidarity,

James Steiner
President Corona Firefighters Association

Trevor Walsh
Vice-President Corona Firefighters Association
