Sharp Professional Nurses Network

Dear Sharp Professional Nurses Network Member,

Fast approaching is contract negotiations between SPNN and Sharp HealthCare - our current contract expires September 30, 2011. It is important that we begin preparing to ensure we win a great collective bargaining agreement.

Every RN in Sharp HealthCare will be affected by the terms of the new contract. Wages, benefits and working conditions will all be negotiated.

We want to hear from every member about what concerns you and what your priorities are for the new contract.

We need all members to participate. The strength of the contract we are able to negotiate depends on it.

Please complete the attached survey and return it to a SPNN Officer, Contract Action Committee Member, UNAC Organizer or Representative or to the UNAC-UHCP office (10405 San Diego Mission Rd. Suite 106, San Diego, Ca 92108. Fax # 619 280-7406) by June 23, 2011.

Visit www.unacuhcp.org and go to the Sharp affiliate website regularly to stay current on the latest negotiation news.

UNAC/UHCP emails critical information to members— do not be left out! Send your personal email address to publicaffairs@unac-ca.org along with your name and hospital and be included in the information stream.

Now is the time to stand united in our commitment to our patients, our profession, our facilities and ourselves.

Join your SPNN colleagues in this important venture.
