

RNs ARE FILLING OUT STAFFING OBJECTION FORMS BECAUSE...

Preceptor forced to take on
own patient assignment,
leaving preceptee alone and
unsupervised

Orientee had to assist
with epidural
unsupervised

No breaks.
Why?
Supervisor said,
"I have no staff."

Late Lunch
Felt lightheaded and tired

No break AND no meal
for second shift in a row

Patients being passed repeatedly
from nurse to nurse, without
proper report or care, while staff
assignments are juggled and a
primary nurse is found

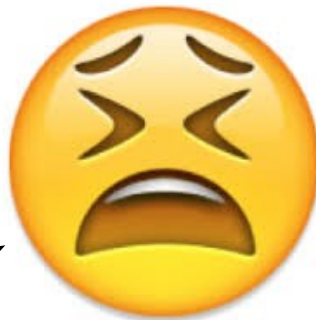

Delays in requesting
additional staff

No second RN
or OB tech for
delivery

Only 2 RNs and 1 CNA
for 7 patients in L&D

Patients having to
wait in lobby for
admission as no
staff available

Resource forced to take
on own patient, leaving
unit unattended
