

SHARP PROFESSIONAL NURSES NETWORK BARGAINING UPDATE

#19
NOVEMBER 27, 2016

STRIKE AVERTED

Our Union withdrew the 10-day notice to strike after a series of last minute agreements were reached early Sunday evening.

All nurses should report to work for their normally scheduled shifts on **Monday, November 28.**

Our Union and Sharp management are scheduled to resume bargaining on Tuesday, November 29 to complete a new contract.

Your commitment and activism made the difference in averting the strike. Stay strong. Stay engaged. We are almost at the finish line.
