Bargaining Update #5 Oct. 4, 2017

Our RN bargaining team met with management on October 4 and reached four tentative agreements (TAs):

- Article 4 Membership - improvement to our bargaining unit membership list
- Agreement on numerous side letters that protect the integrity of our bargaining unit

We continue to have lengthy discussions on probation and evaluation language to ensure the protection of our registered nurses.

We had great turnout at this week's session. Let's continue to keep the pressure on management to secure a great contract.

Unity is power! Attend our next bargaining session.
