

STRIKE: KNOW BEFORE YOU GO

After months of bargaining, we are fighting for the future of our professions. We demand a stronger voice for our patients, fair market wages, ESI to protect our health, and access to retiree benefits. This is about dignity and respect. **We reached a point where Sharp has left us no choice but to STRIKE.**

Let's show our dedication by being well-prepared for the strike and picket lines. ***Please see details below.***
