Chino Valley Medical Center

Chino, CA 91710

Dear Mr. Moran,

On behalf of the City Council, I would like to extend this letter of support to the Chino Valley Medical Center ("CVMC") and its dedicated staff. As Chino Valley's primary hospital, the services you provide to our community are clearly invaluable.

At our September 17, 2019 City Council Meeting, CVMC staff shared with the Council the status of the labor negotiations. We empathize that this is a delicate and complicated process with both parties trying to achieve what is best for your patients. However, like any organization, we can both agree that consistency and experience is central to success.

The CVMC and the City of Chino have been great partners in serving the Chino community for many years. As you go through this negotiation process, we lend our support that both parties will find solutions beneficial to our community.

Sincerely,

Eunice M. Ulloa

Mayor
