

# BARGAINING UPDATE #13

June 1,  
2021

## HAWAII THERAPISTS

## NEW TENTATIVE AGREEMENT ON ISSUE RESOLUTION

Our Hawaii Therapists bargaining team continued negotiating with management throughout May.

Last week, we reached an important new Tentative Agreement (TA) on **Issue Resolution**.

This is a good agreement for our members because it gives us a process for resolving workplace issues at the lowest level.

It represents a commitment by management to meet with us whenever our members have concerns, to try to resolve them.

It creates a safe environment to have tough conversations and solve problems mutually.

The Issue Resolution program agreed to is part of the Alliance of Health Care Unions' (AHCU) national agreement with Kaiser Permanente.

We bargain again tomorrow, Wednesday, June 2, followed by a union caucus on Thursday, where our team meets without management.

In July, we're negotiating every Wednesday throughout the month.

Stay tuned for more updates!
