

RNs ARE THE OF PRIME HEALTHCARE

Today We Took a Stand for Our Patients

This morning, RNs at Prime Healthcare's Garden Grove [top photo] and Chino Valley [bottom photo] Medical Centers delivered our petitions to the company CEO's offices, calling for Prime to bargain contracts that address the retention and recruitment crisis threatening safe patient care at both hospitals.

United Nurses Associations of California/Union of Health Care Professionals (UNAC/UHCP)

Represents 32,000 Nurses and Health Care Professionals in Southern California and Hawaii
