

# BARGAINING UPDATE #2

June 19  
2020

## UNITED NURSES AND HEALTH CARE EMPLOYEES OF HAWAII

**UNHCEH**

**UPHI**

**HI Therapists**

## Aloha UNHCEH—bargaining is finally here!

Bargaining kicked off for our next collective bargaining agreement this week.

One of our first agreements was to extend our current contract's expiration date from June 30 to July 31.

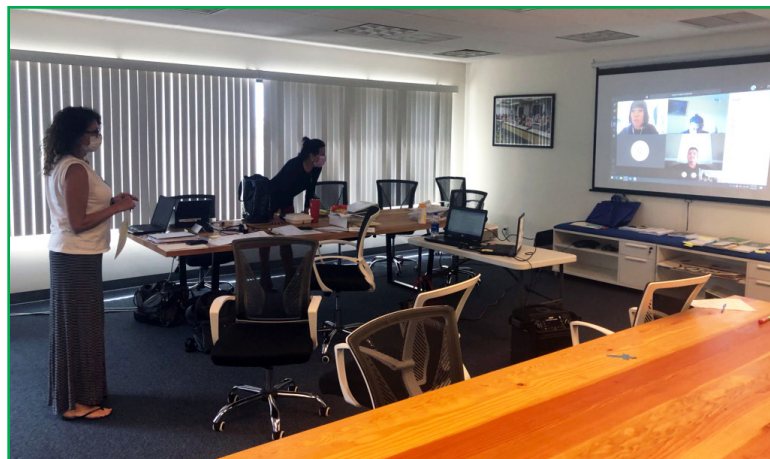

Negotiators in multiple locations joined the bargaining virtually, due to ongoing COVID-19 precautions. Our team gathered in our office for masked, socially-distanced bargaining. (Reminder: this is why we're not able to have observers at bargaining at this time.)

In addition to the contract extension, our UNHCEH bargaining team locked-in several other tentative agreements in these initial sessions, including:

- Nursing Mother's Meal Period and Rest Period
- Grievance and Arbitration
- Incorporating all new positions into Exhibit A - Classification Wage Grid

**REMINDER: Join us in wearing blue on bargaining days.**

**Upcoming bargaining dates: June 22-23, June 30-July 2.**

### **BARGAINING UPDATE TOWNHALL** **SAVE THE DATE: JUNE 25, 3-4 PM HST**

All members welcome. Hear updates directly from our bargaining team and negotiators. Ask your questions.

Expect to receive instructions next week on how to join the online meeting.
