

KAISER BARGAINING UPDATE

May 24, 2018

This week we began coordinated bargaining with hundreds of UNAC/UHCP members along with the twenty-one other unions in the Alliance of Health Care Unions (AHCU). During the three days negotiating with Kaiser Permanente management, we made steady progress.

- On the first day of negotiations, we reached agreement with management on an updated, strengthened version of the original 1997 Partnership Agreement, which will give us a seat at the table when problems are identified and solutions developed.
- On the second and third days, two subgroup committees began discussing:
 - **Staffing and backfill** (Organizational Effectiveness Workgroup)
 - **Strengthening the Labor Management Partnership** (Partnership Workgroup)
